

Queensland State Schools eBook Digital Library

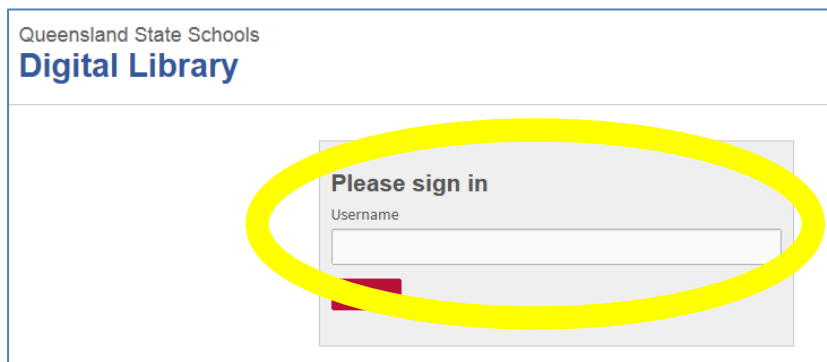

A student and teacher eBook service for registered Queensland state schools

Getting started

Your Principal has to register your school first!

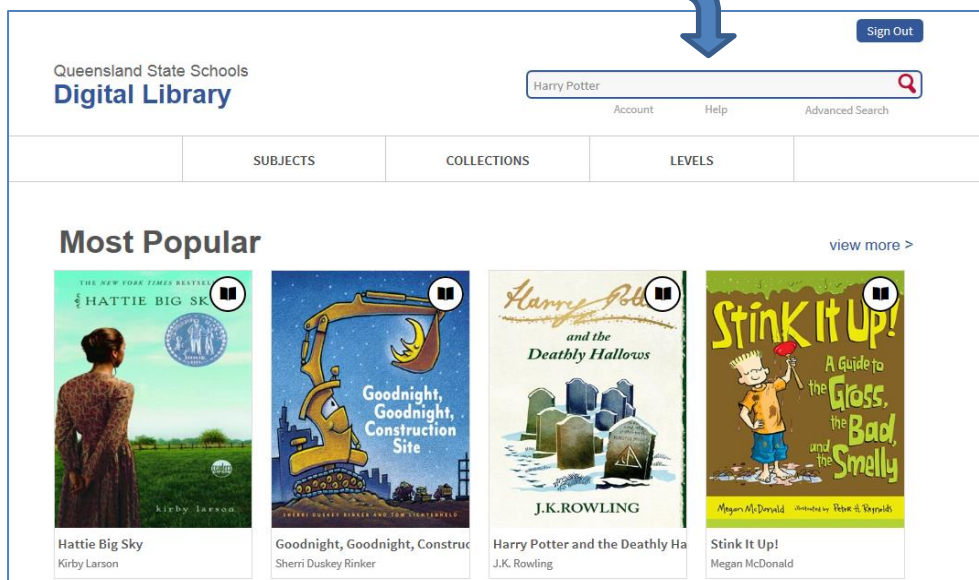

1: [Open the Qld State Schools eBook Digital Library](https://eduqueenslandau.libraryreserve.com/)

<https://eduqueenslandau.libraryreserve.com/>

Sign in with the same username you use to access the Learning Place (MIS-ID)

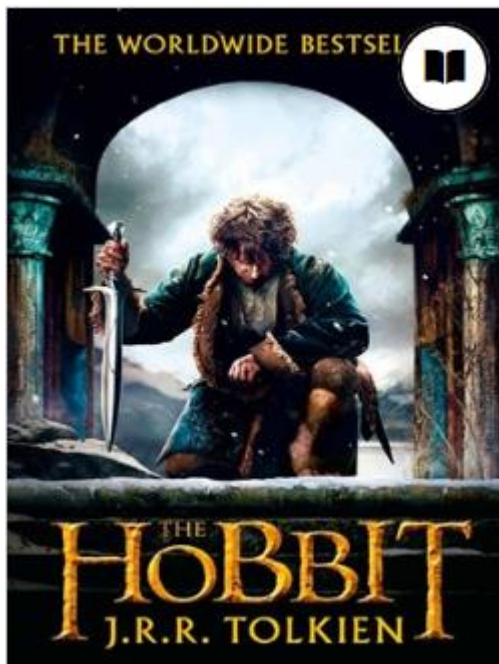

2: Search for titles or browse the collections

3. Sample first

Some of the popular books can only be downloaded 20-30 times per year. This is a rule set by the publishing companies. So if you borrow just to look at the book (and never read it) then uses one of our "borrows" and we have to purchase the book again. Most of the collection is **unlimited** borrowing however some popular titles (e.g. the Hobbit and C2C titles) have limited downloads.

Please SAMPLE first. It's like browsing before you borrow in a library. If you really want to read the book then you can borrow it. If it's already borrowed, then you can add the eBook to your wish list. When it becomes available you will be notified when you next log in.

4. Borrow an eBook

When you borrow an eBook, you have it for 7 days. No one else can borrow it at the same time. If you decide you don't want to read it then please return it so someone else can read it. It's just like borrowing a book from the library.

You have two choices when you borrow a book:

1. Download it to your computer or device
2. Read it online (Internet Browser: IE11 or Firefox or Chrome)

Romeo and Juliet is synonymous with the tragic fate of two young "star-cross'd lovers." The idea wasn't originally Shakespeare's - he borrowed the plot from a few other sources-but his version is the...
